

Indicate *four* choices (1,2,3,4) from among the groups below (the dark line constitute a group, the dotted line separates the members of that group from each other. Everyone will present a short discussion of *at least one* group (perhaps two, depending on time) to the class between now and the end of the term. I'll try to give all their first choices. If I can't do that, I'll apportion them the best way that I can. Bring this form to class on Monday or e-mail it to me at amst335@gmail.com
